☒ Friends

Content area filled by friend's postings of music comments.

Some attributes change depending on the interest.

If Friends button is selected, this module only displays friend's comments.
Otherwise, it displays everyone that is interested in music comments.

Notice the no spoilers button is gone. Music doesn't need that attribute.

This is my favorite movie of all time.
When Clint Eastwood says, "He
should have armed himself if he was
gonna decorate his saloon with the
body of my friend", I jumped for joy.
